Presidential Financial Provides Growth Capital to New Clients

ATLANTA – Presidential Financial announces the closing of an accounts receivable credit facility totaling \$1 million for a firm in New York that provides DNA research products.

Presidential continues to expand its presence in the healthcare industry. Presidential Healthcare Credit recently closed a \$1.5 million accounts receivable credit facility for a New Jersey-based skilled nursing facility.

Presidential Healthcare Credit also announces the closing of a \$1 million accounts receivable credit facility for a diagnostic laboratory located in California.

Presidential Financial is a senior lender providing growth capital to businesses and healthcare providers throughout the United States. The company focuses on growing businesses with strong management teams and offers working capital facilities from \$500,000 to \$4,000,000. Headquartered in Atlanta and founded in 1981, the company serves clients nationwide. For more information, visit www.PresidentialFinancial.com.
